

LED IP66 Weatherproof Batten Luminaire r

designed for industrial, commercial, and utility applications. Featuring a robust IP66-rated housing, it provides efficient, uniform illumination with high durability and is available in multiple wattages and color temperatures.

TECHNICAL SPECIFICATIONS

Reference	EK-006530LWcL
Material	PC
Power	50 W
Luminous Flux [lm]	130 lm/W
Color Temperature [K]	3000K à 5000K
IP Rating	IP66
Dimming	DALI
Impact resistance (IK Rating)	IK08
CRI	>83
Input Voltage [V AC]	AC100-240V
Lifetime	50 000 h
Certification	CE

Dimension (mm)

Dimension (mm)	1220	1524
Power	20W / 40W / 60W	30W / 50W / 60W
