

LED High Bay light

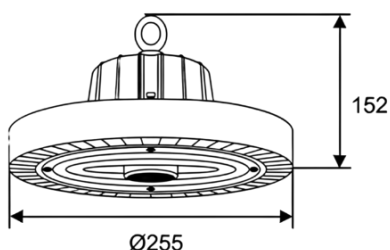

Smart Industrial LED High Bay with mobile app control and integrated motion sensor, featuring selectable power output (100 W / 150 W / 240 W), available in 4000 K, color temperatures. Rated IK10 for impact resistance, it is designed for warehouses, workshops, and industrial buildings.

TECHNICAL SPECIFICATIONS

Reference	EK-100150LHB/ EK-150170LHB/ EK-120190LHB
Material	aluminum
Power	100W /150W/200W
Luminous Flux [lm]	150-190lm/w
Color Temperature [K]	4000K
IP Rating	IP65
CRI	80
Impact resistance (IK Rating)	IK10
Input Voltage	100-277vac
Lifetime	50 000 h
Certification	CE
