

Flexible LED Profile

designed for architectural and decorative lighting applications. Featuring a flexible profile with a durable ADC12 die-cast aluminum housing and IP67 protection, it provides precise grazing illumination and is available in RGBW with DMX512 control for dynamic lighting effects.

TECHNICAL SPECIFICATIONS

REFERENCE	EK-12100ALF
MATERIAL	ADC12 Die-Cast Aluminum
INPUT VOLTAGE	DC 24 V
POWER	36W/M
LUMINOUS FLUX [LM]	110 LM/W
COLOR TEMPERATURE [K]	RGBW-3000K
IP RATING	IP67
CRI	>80
DIMMING OPTIONS	DMX512
LIFETIME	50 000 h
CERTIFICATION	CE

Dimension (mm)
